To Whom it May Concern:

It is with great pleasure that I recommend Blue Crystal Cleaning Services. From the moment I first reached out to Zue to inquire about cleaning services, I was impressed with her responsiveness and communication.

We first enlisted Blue Crystal Cleaning Services to provide cleaning services for a donor lounge we were hosting at the ArtsWave office each night during BLINK. Over four nights we had 1,600 people through our space. Blue Crystal provided cleaning services each night and did an amazing job. They arrived just as we were closing up the lounge to chat about any items that needed special attention and ensure things were going well. Following their work on the lounge in October 2022 we hired them as our regular cleaning service 2 days a week. We could not be happier with that decision. They continue to do an amazing job and are clearly very committed to delivering best-in-class-customer service.

Feel free to reach out to me with any questions.

Sincerely,
